YEAR PLANNER, 2023-24

MANDATE

ACTIVITIES OF KVK

- On farm testing to identify the location specific technologies in various farming systems.
- Frontline demonstrations to establish production potentials on farmers' fields.
- Training of farmers and farmwomen to update their knowledge and skills in modern agricultural technologies.
- Training of extension personnel to orient them in frontier areas of technology development.
- Work as resource and knowledge centre of agricultural technology for supporting initiatives of public, private and voluntary sector for improving the agricultural economy of the district.
- Create awareness about frontier technologies through large number of extension activities like farmers fair, field day, strategic campaign, ex-trainees meet, etc.
- Seed and planting materials produced by the KVK also be made available to the farmers.

S. No.	Item	Area (ha)
1	Under Buildings	2.0
2.	Under Demonstration Units	1.5
3.	Under Crops	12.0
4.	Orchard/Agro-forestry	4.5
5.	Others with details	-
	Total	20.00 ha
