**Organization of farmers workshop under Floriculture Mission at Krishi Vigyan Kendra, Katia, Sitapur in collaboration with Council of Scientific and Industrial Research - National Botanical Research Institute, Lucknow.**

In order to strengthen the ecosystem, there is a great need to invite friendly creatures and create a favorable environment for their promotion, under which efforts are needed for the promotion of environment-friendly organisms by promoting floriculture, as well as earning more income from floriculture and silant rearing. There will be strength in promotion. Keeping these things in mind, a one-day workshop was organized at Krishi Vigyan Kendra Katia Sitapur in collaboration with National Botanical Research Institute, Lucknow.

Dr. Daya Shankar, Principal Scientist of National Botanical Research Institute, Dr. KK Purushottam Principal Scientist, Dr. Naushad, Dr. Wasim participated in the workshop.

Dr. Daya Shankar Srivastava, in-charge of Krishi Vigyan Kendra, scientists Dr. Anand Singh, Shailendra Singh, Shishir Kant Singh, Sachin Pratap Tomar, Yogendra Singh and directors of Farmers Production Organizations (FPOs) participated and expressed their statements.

A total of 62 farmers from different areas of the district participated in the workshop and along with registering themselves, got nursery plants of marigold and tubers of tuberose for cultivation.

### **32 Progressive farmers were honored at Krishi Vigyan Kendra Katia, Sitapur.**

**Chief Guest** - Honorable Rakesh Rathore, Minister of State for Urban Development

**Special Guest** - Member Legislative Council, Uttar Pradesh  
**District Magistrate, Sitapur** - Mr. Anuj Singh

On the occasion of the birth anniversary of Chaudhary Charan Singh, the former Prime Minister of India and the messiah of farmers, Kisan Samman Samaroh and Agricultural Technical Exhibition and Kisan Mela were organized at Krishi Vigyan Kendra Katia. On this occasion, the Chief Guest, Honorable Minister of State for Urban Development Rakesh Rathore while addressing the farmers said that the farmers will have to adopt the new techniques disseminated by Krishi Vigyan Kendra, which will reduce their crop cost as well as increase their income. As a special guest, Honorable Pawan Singh Chauhan, Member of the Legislative Council, while emphasizing on the adoption of natural farming method, said that we will have to return to coarse grains and cow-based agriculture, only then the farmer will become self-dependent. District Magistrate, Sitapur Mr. Anuj Singh, emphasizing on the nutrition of farmers and women as well as children in the district, said that drumstick plants should be planted on every farm yard and should be included in their daily diet in abundance. In the felicitation ceremony, 32 farmers who have done excellent work in agriculture and allied sectors were honored and tractor keys were given to the beneficiaries of Farm Machinery Bank.
